Wellesley College

2014-2015 FACT SHEET

0

HISTORY AND MISSION

For almost 140 years, Wellesley College—one of the most selective liberal arts colleges in the country—has provided a transformative educational experience for the women who lead change in our world. Known for its intellectual scholarship, research, and innovative teaching, Wellesley cultivates accomplished, thoughtful women who are committed to making a difference in the lives of others, and to purposeful, personal, and meaningful engagement with the challenges of our times.

CAMPUS

More than 450 acres in Wellesley, Massachusetts, 12 miles west of Boston

STUDENT ENROLLMENT

2,308 women from 49 states and the District of Columbia and 78 countries of citizenship (56 countries of residence)
