

WELLESLEY COLLEGE
OFFICE OF PARENT AND FAMILY PROGRAMS

Dear Wellesley Families,

Welcome to Wellesley! Your student is about to embark on four extraordinary years at Wellesley College, and families are invited and encouraged to share in the vibrant life of the College.

First-year Wellesley College students quickly establish their independence and become their own best advocates. The Office of Parent & Family Programs is here to help you navigate College services, support your student during their time on campus, and serve as a point of contact for questions.

To keep you informed of College programs, activities, and important deadlines, the Office of Parent and Family Programs emails a monthly newsletter to all families, so please be sure we have your current email address. If you are unsure or need to update our records, please complete this [form](#).

As director of the Office of Parent and Family Programs, a Wellesley alum, and a parent of college students, I look forward to getting to know you. Please do not hesitate to reach out with any questions via email to parents@wellesley.edu or by phone at 781-283-2808.

Warm regards,
