### Important Steps Required for On-Campus Flu Shots

In order to receive a flu shot, you must book an appointment by no later than Monday, September 22 by visiting: [medbarhealth.com/wellesley](http://medbarhealth.com/wellesley) You will want to have your Medical Insurance card in front of you so you can include that information in the online form. (You do not need to fill out the Employer Group Number.)

Appointments are scheduled 10 minutes apart to maintain appropriate spacing within the site of the clinic.

Prior to Your Appointment, please be sure to complete the COVID-19 Training, Acknowledgement found on the Home Page of My Wellesley as highlighted below.

### Checklist for the Day of Your Appointment

- ✓ Bring a form of ID (Driver's License etc)
- ✓ Complete the Daily Health Check found under Fall 2020 Documentation Toolbox (above) before leaving for campus.
- ✓ Bring your own mask.

When you arrive, there will be a Med Bar Staff Member to direct you. The nurse will ask for your ID and will look up your appointment/information in their computer prior to administering the flu shot. After you have received your flu shot you will be asked to remain close to the clinic for 15 minutes (while remaining socially distant).

**Please remember to stay 6 feet apart and wear a mask.**
